

Chanukah Candles for Sale

CJC/S would like to encourage our families to purchase some beautiful candles for Chanukah (Begins Friday, Dec. 15.) Safed candles, now being sold by the new CJC Gift Shop, are handmade in Israel in the ancient city of Safed and come in beautiful colors. We will have a supply on hand on at the school's Chanukah program on Sunday, Dec. 17, but to help ensure that our supplies are adequate, it would help *immensely* if pre-orders were submitted.

If you would like to see a complete selection of our Safed candles, including candles for Shabbat, *havdallah*, etc. - and view the colors, you can go to our website www.columbiajewish.org/giftshop.shtml.

Note that we limited quantities available for each color combination so get your orders in EARLY! We also have beautiful Shabbat and Havdallah candles which make great gifts.
