This booklet contains school information, projected class schedules, tuition rates and registration forms for the 2019-2020 school year.

Early Registration will be accepted until May 30, 2019.

For effective planning, it is essential that we have enrollment information for the coming year as soon as possible. For this reason, **re-registration from returning families is subject to a \$50 late fee after May 30, 2019.** (This does not apply to new students.)

Changes are made to this booklet each year, so please review the information carefully. If you have any questions, please contact Jerry Kiewe, Educational Director, at: 410-294-3205 (c) or JKiewe@aol.com.

CJCS is an affiliate of the Columbia Jewish Congregation and the Jewish Reconstructionist movement, is associated with the Center for Jewish Education of Greater Baltimore and is a beneficiary agency of the Jewish Federation of Howard County.

ABOUT CJCS AND ITS PHILOSOPHY:

The Columbia Jewish Community School (CJCS), founded in 1971, is the first religious school established in Howard County, Maryland. Through its curriculum, faculty and activities, CJCS strives to expose its students to diverse Jewish perspectives- historic, religious and cultural - and to do so in a positive manner. We believe that this approach best equips students to make informed decisions of their own when faced with the many monumental choices of life in general and Jewish life in particular.

CJCS is formally affiliated with the Columbia Jewish Congregation and the Jewish Reconstructionist movement. We therefore make a concerted effort to present the beliefs and practices of Reconstructionist Judaism, which is a contemporary, progressive approach to Jewish life that emphasizes community, culture and spirituality. It is respectful of Jewish text and tradition, but is also open to modern interpretations and embraces new and innovative religious practices.

CJCS embraces students from interfaith families and non-traditional family structures. We also strive to be sensitive to and accommodating of, students with special needs and other challenges that may be presented to us. In short, we welcome all who seek to expand their Jewish awareness and involvement in the community.

Our Approach:

- We strive, at all times, to maintain a positive and safe environment for our students, parents and staff.
- We believe that the educational process is a partnership between teachers, students and parents; towards that end, we emphasize mutual respect, open-mindedness, and acceptance of other people and ideas.
- We seek to develop awareness and appreciation for the full scope of Jewish values, beliefs and practices.
- We strive to give our students an understanding of Jewish history and the ways in which it has shaped Jewish life and thought, while reaffirming a contemporary, progressive approach to modern life.
- We affirm that Hebrew is an essential element of Jewish education.
- We believe it is important to motivate students to make Judaism a way of life and to maintain membership in the Jewish community.
- We believe Jews should be encouraged to continue their Jewish learning throughout their life.

Educational Director

Jerome Kiewe has served as the Education Director of CJCS since January, 1995. Jerry holds Masters Degrees in Social Work, Jewish Studies and Jewish Education. Simultaneously with his role as a Jewish educator, Jerry has served in executive level positions with the B'nai B'rith Youth Organization (BBYO), PANIM, the Baltimore Zionist District, and the JCC of Greater Baltimore and is a past President of KEHILLAH: The Association of Jewish Communal Professionals of Greater Baltimore. He currently serves as Executive Director of Ohr Kodesh Congregation in Chevy Chase. He has led numerous overseas trips to the former USSR, Poland and Israel and domestic Judaic programs in the U.S. and has served as an adjunct instructor for the Baltimore Hebrew University. Jerry resides in Pikesville with his wife, Suzanne. They have three children, Zephan, Micah and Tamar, and two cats, Priscilla and Bella.

Program & Curriculum

The CJCS utilizes a curriculum" designed to have students learn key subjects during the course of their education in varied, age-appropriate ways. Our various grade levels focus on general areas of instruction, indicated below.

Pre-Kindergarten thru 3rd Grades

Beginning Hebrew Reading, Prayers and Music
Jewish Holidays
Jewish Folk Tales, Arts & Crafts

4th thru 7th Grades

Hebrew Reading Skills, Prayers and Music
Jewish Life Cycle Events
Bible and History
Jewish Values & *Mitzvot*

Additional details related to the curricular goals for each grade level are available on our website and/or upon request.

CJCS uses the Behrman House "*Hineni* text series" and our own "CJCS Sings!" as our main sources for the Hebrew portion of the curriculum.

"CJCSings!" consists of a booklet of prayers used in CJC services and an accompanying CD that are distributed to all of our families. Students and parents can listen together to the reading of each prayer, first slowly and then in song. The parent version includes English transliteration to help enable parents to read along, whether or not they know Hebrew.

Prayer Services

In the 2019-20 year, **Prayer Services** have been given increased priority, as reflected in our schedule (see further). Each month, CJCS students will be expected to participate in either a *L'Dor va Dor* service – a Shabbat service that is specially tailored for participation by our students and their families, or a Jewish holiday program.

For service attendance (and for the completion of weekly homework assignments – see below), CJCS offers an additional incentives in the form of **"Shuk stickers" that can be redeemed at the CJCS *Shuk* (market) for prizes and at our Snack Shack for pizza, snacks and drinks!

Homework: Since practice and repetition are vital to learning Hebrew (and any foreign language) we highly recommend that each student try to practice reading aloud for 5 minutes each day. Hebrew teachers will typically also designate a homework assignment in each Hebrew class (that will also be sent via e-mail each week). This will be a modest assignment that should require no more than 15 to 20 minutes. Parents are asked to help see that homework assignments are completed.

Homework for 4th - 7th Grade Judaics classes is typically limited; e.g. - a question pertaining to that week's class lesson that students should discuss with their parents. Each grade also has a Jewish book reading assignment related to its curriculum that parents and students should both read to later discuss together. Some teachers/grades may also have a project.

Hebrew Reading Assistance: For various reasons, students may have difficulty learning to read Hebrew. To help alleviate this, CJCS maintains a Resource Room that conducts initial assessments of student learning needs and provides both short and long-term assistance. We specialize in addressing dyslexia and employ the Orton-Gillingham method. **The services of our Resource Room are offered at no additional cost to families.**

Student Aides:

CJCS deploys a corps of exceptionally motivated and talented teens who assist teachers and students in many ways. Student Aides help with various activities in the classrooms, provide one-on-one tutoring to individual students, facilitate special programs, and help to run our "Snack Shack," "Shuk", and "Fun Club." Their efforts are of immense benefit to CJCS!

Fun Club:

CJC/S offers an optional, extended time "Fun Club" program on Sundays for Pre-K through 3rd grade students. Operated by veteran student aides, they will meet your child at the end of his/her first session and provide snacks and activities for the remainder of our Sunday session. Cost is \$5/hour/child with advance reservation (by 7 PM Friday); \$6/child/hour at the door, There is also sibling discount \$1/hour) for 2nd child.

Bar/Bat Mitzvah

The staff of the Columbia Jewish Congregation (CJC) will arrange appropriate *Bar/Bat Mitzvah* dates and facilitate the *Bar/Bat Mitzvah* ceremony for its member children. **It is the policy of the congregation that families who wish their children to become *Bar/Bat Mitzvah* at CJC must become members and begin attending classes at CJCS by the beginning of their child's 3rd grade year.** If a family arrives at CJC/S after children are older, the *Bar/Bat Mitzvah* ceremony may be delayed while added Judaic education is arranged.

The standard curriculum offered by CJCS will satisfy the general Judaic educational requirements of CJC. Along with Jewish values, history and holidays, Hebrew language and prayers are progressively taught at each grade level. Our 6th and 7th graders are introduced to *Bar/Bat Mitzvah* prayers and rituals. The congregation will also arrange for supplementary tutoring specific to each child's *Bar/Bat Mitzvah* portion.
