APPLAUSE

for CJC's Unsung Heroes

Bonnie Sorak has led us by example. Her tireless efforts to protect our environment have motivated and enlightened our community. Her determination to include our youth, teens and adults in *shomri adamah* -- protecting the environment -- has been invaluable. Her leadership of the CJC's Green Team has allowed us to become even better stewards of our world than we were before.

Steve Rothman is often the quiet, unsung hero who helps set up on Friday nights, cleans off the prayer book carts, organizes shivas or delivers a meal to a bereaved family. His pleasant demeanor and kind smile always brighten up the room.
