APPLAUSE

for CJC's Unsung Heroes

"One who is engaged with the needs of the community is likened to one who engages in the words of Torah-both are meritorious and bring blessing."

--Jerusalem Talmud

Karina Cowan contributes her voice, spirit, and efforts to many aspects of CJC life. A dedicated member of both the CJC Choir and its newly re-constituted quintet, Karina sang with both during the recent High Holy Day season. Karina also enhanced our services with a beautiful vocal solo during worship. Her next community project is serving as the chair of our newly formed Concert Committee, working

to produce our second annual Spring Concert. For your musical gifts and so much more, we celebrate you, Karina!

Who steps up to the plate when needed? **David Sann** does! David was an integral part of the Dues Restructuring Committee and most recently conducted our Board Retreat, helping leading this year's board of directors to establishing goals. David has also been a major help during High Holy Days, schlepping books and supplies to and from our off-site locations. His willingness to help, his pleasant demeanor, his poignant questions all help us get from here to there in a kind and respectful manner. It is comforting to know that David is available whenever we need a helping hand.
