

Now Sundays, 5:00pm—7:00pm ~ Twice a month

100 Jewish Foods

When did we start eating challah on Shabbat? What is the Jewish connection to pickles and how do we make them? The class will learn the history of some common, and not so common, Jewish foods. It will include tastings and cooking!

The Supreme Court's Decisions' Impact on the Jewish community

How do the latest court's decisions impact our actual daily lives? Will students now be expected to pray in schools? What does Judaism say about abortion and how does the Supreme Court decision effect our Jewish practices? We will explore these newest developments and their potential impact on YOUR life.

The Jewish class of WHY. Why do we do certain things such as wear a kippah, tallit, kiss the Torah, or have a mezuzah? What do we as Jews believe about the devil, fairies, angels? Many of your questions will be answered as we explore some Jewish beliefs.
