

TREE PLANTING

Sunday, November 13
12:30pm-4:30pm

CJC and OMI Green Teams, in cooperation with youth/volunteers of all ages, will be adding trees to the existing raingardens at OMI. The event will occur rain or shine.

Two River Birch and a Black Gum tree will be planted. Additional tree work, including deer protection will also be performed.

Depending on the weather, raingarden maintenance will also be performed. Participants should dress appropriately and (if possible) bring shovels.
